FOREWARD

The Pocket Statistical Hand Book - 1998 is the fourth in the series. The Directorate of Economics and Statistics, being the nodal Department for official Statistical System in the State is bringing out this Pocket Hand Book on important Statistics to enable the interested individuals, Policy makers and Planners, Researchers to study the changes with the help of the data.

Efforts have been made to incorporate graphs and charts as well as to improve the presentation of the data.

We are thankful to all the agencies for making available the data required for this publication.

This publication was prepared by the Publication and Reference Section of the Directorate under the in-charge of Kum. A. Laloo, Statistical Officer and a team of Staff for preparation of the manuscripts.

Though, we are always trying to improve the coverage and quality of the publication, but suggestions for improvements are most welcome.
